

JA Golf Classic

PRESENTED BY

SEPTEMBER 18 20206 | VIERA EAST GOLF CLUB

TEE UP FOR IMPACT — AND A SERIOUSLY FUN DAY ON THE COURSE

Picture this: a beautiful fall morning, your team on the first tee, a little friendly competition in the air, and a day full of great golf, laughs, and surprises along the way.

That's the **JA Golf Classic**, Junior Achievement of Central Florida & the Space Coast's annual tournament, where a great day on the course helps shape brighter futures for students across our community.

Every swing, putt, and friendly wager helps support Junior Achievement programs that give students the tools to succeed — financial literacy, career readiness, and entrepreneurial thinking.

Whether you're coming out with colleagues, clients, or friends, this is one of those rare days where business, networking, and giving back all happen on the same fairway.

Want to make it even more memorable?

Sponsor a hole, bring a team, or host a fun activation on the course. It's a great way to showcase your company while supporting the next generation of leaders.

So grab your clubs, bring your team, and join us for a day where every drive helps drive dreams.

Reserve your sponsorship or team today — we'll see you on the course.

JA Golf Classic
